

- removing the Dept of Corrections from the State Personnel Board
- Right to Life bill or bills (might be accused of skewing the stats if we include those, but still...)
- Juvenile Justice reforms
- State Employee health insurance reforms (giving employees options and making them eligible for Health Savings Accounts)

GHB wants us to document major legislative accomplishments that couldn't have happened without bipartisan votes. Here's a working list; y'all please think on it and we can get it done next week:

- tort reform
- workforce training overhaul
- unemployment tax reform
- Medicaid reform
- Momentum Mississippi
- Upgrade
- MAEP phase-in
